Holidays AT THE Station

The **KEPW** volunteers and staff would like to wish you and yours a wonderful holiday season. In terms of political and social challenges, this is a time of great strife; yet, if we continue to work together, we will together be able to overcome some of the challenges facing our community, our state, our nation, and the world.

All of us here at KEPW would like to congratulate our fellow KEPW producer Dan Pulju for an admirable run for the United States Senate as a Green Party candidate. It is through engagement and the selfless runs for office of community activists such as Pulju that we will begin to make positive changes in Oregon.

Errata

The November KEPW newsletter featured an article on Mike Meyer, who was voted 3rd place in the *Eugene Weekly's* "Best DJ" poll. It also featured an article on Coast Range Radio, hosted by Michael Gaskill. The photograph of Mike Meyer was mistakenly printed with the Coast Range Radio article. That was my mistake. Sorry Mike and Michael!!! [Daniel]

Where to find us...

The KEPW Studio is located in Downtown Eugene, on the 2nd floor of Growers Market, Suite 203 at 454 Willamette St. We are across the street from Eugene's Amtrak Train Station, through the door between the Morning Glory Cafe and Black Wolf Supper Club.

KEPW can be found online at: <https://www.kepw.org>

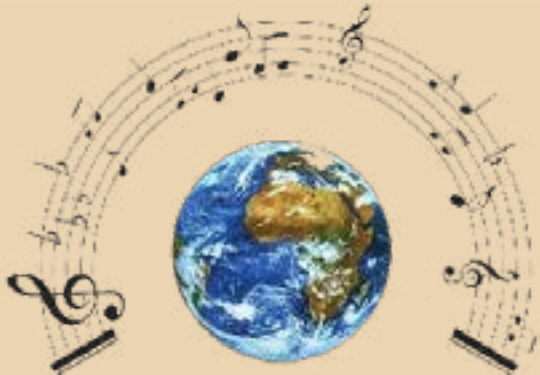

KEPW Community Potluck

Monday, **December 5th** is KEPW's monthly community potluck: everyone is invited!

Please bring a dish to share and join us at **6 pm**.

It takes place at the KEPW Studio on the 2nd floor of the Growers Market at 454 Willamette St. in Eugene, OR.

Get to Know... ISLAND EARTH Radio with Mike Meyer

Island Earth Radio is a collection of multicultural, multi-genre songs about nature. It may be one of the only nature-positive shows on radio anywhere in the world and is especially needed in this era of disconnection for our natural world and climate change. Songs from around the world are supplemented with national artists such as Peter Rowan, Keith Greeninger, Claudia Schmidt, Pure Fe, R Carlos Nakai, and regional artists including Peia, Alice DiMichele, Ananda Yogigi, and the Sugarbeets. KEPW airs Island Earth Radio Sundays 8 am to 9 am and it is also carried on Veneta, Roseburg, Salem, and Portland Stations.

DJ Mike Meyer has been doing public and community radio for 41 continuous years and adds poems and sounds to the array of songs. Island Earth Radio was created to inspire connection to nature and reflect on soul-stirring effects of music about our natural world. Mike can be reached at mmeyer@efn.org and is an additions and mental health counselor working at Lane Community College.

Island Earth Radio plays on KEPW on Sundays from 8-9 am.
